Good Afternoon Carolyn,

At this point I don't have anything for the 18<sup>th</sup>, I do think that Kate has something but I would check with her regarding the status of that case. She is at court today so I will mention it to her in the AM. As far as the 19<sup>th</sup> we both are scheduled in more than one place. Being on call works best and please keep us informed of any changes. We would also need a formal summons; you can fax in to the number listed below please include lab #'s.

**Subject:** Comm. v. [REDACTED]

Hello,

I have you both as chemists on the matter of [REDACTED] This case was \*just\* scheduled for trial in Dedham Superior Court on November 18, 2009. I know it is short notice, but would you be able to give me an idea of your availability for the 18th or 19th? I am actually 80% sure the case will be a plea but in case it isn't I'd like to have you both be on call.

Thanks,

Carolyn
